Dear Parents/Guardians:

St. Bernadette's would like to bring to your attention an exciting opportunity for your 8th grade student. Rose-Marie Janesz, President of Test Preparation & Tutoring Services, will be offering a high school placement preparatory class: "Learn How to Increase Your Score on the Catholic High School Placement Test (HSPT)."

Similar to taking the SAT or ACT for college scholarships and course placement, area Catholic high schools are no different. All Catholic high schools now offer scholarships based on placement test scores, and nearly all use the placement test scores for honors "track" placement.

This may be your 8th grader's first experience with standardized testing that has consequences to his/her performance. Does he know if he is allowed to use a calculator? Should she guess? Does he know the methods to answering analogy and logic problems correctly? Has she studied her vocabulary words? Does he know how to handle test anxiety? All these questions and more will be answered during four (4) weeks of instruction beginning - Tuesdays - September 5th, 12th, 19th, 26th from 2:30-4:30p.m.

A \$129 fee will cover four (4) weeks of instruction, manual, materials, individualized grading, and score summary. Additionally, a full, retired HSPT test will be administered to your student for you to keep! If you are interested in this exciting opportunity for your child, please fill out the bottom portion of this flyer and return with cash or check payment to the school office by Friday, September 1st.

(If you have any questions, please contact **Rose-Marie** at **216.375.6951** or **rjanesz@aol.com**).
